Hi everyone!

Thanks to all who got a chance to reply to this email. It seems that tomorrow Tuesday, February 4th at 9:30AM works best for most so I'll send a calendar invite shortly. Again, we'll meet at CD10 district office.

We need your help to plan, and minimize the impact of these events on local residents.  We need you to join us for "time sensitive" planning meeting. Please let us know which of these two days/times might work best for us to meet next week:
